SUNTIVA.COM/738X

This Schedule provides a streamlined government-wide contracting vehicle for a variety of simple to complex human resource requirements. Government buyers can use 738 X to solve the full lifecycle of human capital needs to support, strengthen, and empower their workforce.

Benefits and Features of Using Schedule 738 X

- Available to all US Government agencies.
- Easy to use with reduced procurement, administrative, and start-up time and a streamlined acquisition process.
- Ability to procure BPA's and multi-year task orders.
- Ability to procure specific services and complete solutions.
- Established mechanism to increase total cost savings, value, and socioeconomic participation.

Suntiva 738 X Services and Solutions

Suntiva has experience and capacity to provide Federal Government customers with customized training and development, human capital strategy, and organizational performance improvement services and solutions through 738 X.

More specifically, Suntiva will:

- Deliver leadership and professional development and training programs designed to build workforce capacity.
- Provide impactful change and adoption management solutions to address the people, process and technology barriers and accelerate adoption of new initiatives.
- Deliver meaningful employee engagement and recognition programs to boost satisfaction and retention.
- Develop and evaluate performance metrics to assess progress in executing human capital strategies.
- Evaluate and maximize the return on investment across the entire lifecycle of human capital services.
- Deliver workforce planning, restructuring, succession planning and competency modeling solutions to drive business efficiency and continuity.
- Provide IT services in support of complete, tailored, integrated workforce solutions.
